HYPEREGIO BuSyBee

Often SMEs need a wide-range and accurate support in innovation, technology transfer and partnership collaboration.

You are looking for large-scale knowledge and research expertise from universities and R&D institutes?

HYPEREGIO BuSyBee is the right solution for you! The cooperating universities, research centers, clusters and associated partners are able to initiate a suitable Science-to-Business (S2B) partnership taking your development to an increased TRL (2-5), leading e.g. from proof of concept to laboratory prototypes.

- Join our S2B and technology oriented **cross-border events**.
- Contact our **managers** to help you to establish multilateral cross-border R&D consortium.
- Advance the technical progress of your research results or prototype thanks to **dedicated European S2B funding sources**.
