

HYPEREGIO

The innovation hub
Euregio Meuse-Rhine

During the last years HYPEREGIO, the greater area of Euregio Meuse-Rhine, has advanced to rank top among European regions in various fields of smart business, such as

➤ **Hightech Systems**
(e.g. Automotive, ICT)

➤ **Life Sciences**

➤ **New Energies**

➤ **Advanced Materials**

➤ **Agrofood**

➤ **Logistics**

The success of HYPEREGIO is closely connected to the extraordinary scientific and technological excellence represented by its knowledge institutes, e.g. the universities RWTH Aachen, K.U. Leuven, TU Eindhoven, Maastricht University, Université de Liège and UHasselt. But also various R&D centres (such as Fraunhofer Gesellschaft, TNO ...) as well as universities of applied sciences (FH Aachen, Zuyd, PXL ...) have to be mentioned.

Welcome to HYPEREGIO

Your business and innovation pipeline in the dynamic area of Europe

The three-border region of Belgium, Germany and the Netherlands is right on the pulse of Europe. HYPEREGIO is situated in between the Flemish Diamond (Belgium) in the West, the metropolitan region Rhein-Ruhr (Germany) in the East and Randstad Holland (The Netherlands) in the Northwest.

You will be able to reach one hundred million people within only four hours! A figure that represents one quarter of the total purchasing power of the EU.

The cross-border region enjoys international reputation as an innovation pipeline for smart and high-tech businesses...

HYPEREGIO fosters its potential as a cross-border technology hot spot to exploit its forces in technology and knowledge transfer between science and business as well as to stimulate more B2B-collaboration across borders!

HYPEREGIO
The new brand
for innovation and business
cross-border
networks.

A cross-border value chain for your innovation

HYPEREGIO is the gateway for small and medium sized enterprises to explore and profit from cross-border activities.

Expand your knowledge and connect with the HYPEREGIO R&D institutions and universities to improve your cross-border activities.

Make use of our technology transfer and business development support-managers guiding and supporting you through the early stages of cooperation or consortia building in the cross-border area.

Receive an „early-stage“ grant to start your cooperation with a knowledge institute or your B2B-consortia.

Take advantages of additional European or regional funding schemes to realise a marketable solution of your innovation.

Businesses are in the driver's seat of HYPEREGIO: Choose from our offers and services – whatever you need!
