HYPEREGIO EarlyTech

The basic idea of HYPEREGIO – EarlyTech is to provide SMEs with the substantial support needed in the first stages of cross-border technology and knowledge transfer. Our technology transfer activities are targeted to 1:1-matchings and a lower Technology Readiness Level (TRL 1-3). SMEs are invited to

- Take part in technology- or branch-specific Business-to-Science (B2S) oriented **euregional events**
- Participate in dedicated cross-border **human resources (HR)** events or programmes
- Get acquainted with our **technology transfer (TT)-managers** connecting you with suitable cross-border knowledge institutions
- Grasp your B2S Voucher:
Get a **€ 6,000 grant** for free to explore an initial cooperation with a knowledge institute to address your specific technology objectives
